Saint Conrad of Piacenza

Conrad, a young married nobleman, lived a virtuous life in Italy. He enjoyed hunting for sport. On one hunt, he caused a fire that went out of control and destroyed forest and fields. In fear, he was silent as a peasant was caught and condemned to death for the crime. Conrad had a change of heart before the execution and confessed his guilt to save the innocent man. He made reparation by selling all that he had to pay the landowners. After this, he and his wife became Franciscans separately. He lived out the rest of his life in penance as a hermit and God worked miracles through him.

St. Conrad of Piacenza, pray for me to be patient with myself when I fail, to make amends when I am wrong, to rely on God's strength when I am weak, and to surrender myself completely to God's mercy. Amen.
