## Saint Pius V

Today's saint was born in 1504 and became a Dominican friar at age 15. He was a wise and disciplined teacher and prior while most others had become lax, and he was a zealous bishop and cardinal. After being elected pope, Pius V enforced decrees of the Council of Trent and reformed his court. He standardized the liturgy as well. In addition, Pius V helped form the Holy League to battle the Ottoman Empire. Their great victory at Lepanto in 1571, won with Mary's intercession, was revealed to the pope in a vision 500 miles away. He died the following year.

Father, You chose Saint Pius V as pope of Your Church to protect the Faith and give you more fitting worship. By his prayers, help us to celebrate Your holy mysteries with a living faith and an effective love. We ask this through our Lord Jesus Christ, Your Son, Who lives and reigns with You and the Holy Spirit, one God, for ever and ever.  
Amen.
