Saint Nicholas of Tolentino

St. Nicholas was born in 1245 in Sant'Angelo. Nicholas became a monk at 18 and was ordained a priest by the time he was 25. He is known for his preaching and teaching. He is also known as a peacemaker between the Guelfs and Ghibellines. He ministered to his flock, helped the poor and visited many in prison. It is said he once prayed over bread and used it to feed the sick and cure them. At his Canonization, it was revealed he was credited with 300 miracles, 3 were said to be resurrections. St. Nicholas is known as the patron saint of holy souls.

Have a safe and blessed weekend.

Saint Nicholas of Tolentino, pray for us. Lord, you worked miracles of healing and comfort at the hands of St. Nicholas: hear all who cry to you in distress, in sickness and in every danger of soul and body, and save them in your mercy. Almighty God, your glory shone upon the Church through the holiness and miracles of St. Nicholas of Tolentino. Amen.
