St. Constantine

Constantine was king of Cornwall. After the death of his wife, he ceded his throne to his son and became a monk

at St. Mochuda monastery at Rahan, Ireland. At the monastery, he studied to become a priest and was ordained. Constantine worked as a missionary preaching in Galloway, Scotland. After working under St. Columba and then St. Kentigern, Constantine became Abbot of a monastery at Govan. Many years later

during travel to Kintyre, Constantine was attacked by pirates and died. Constantine is known as Scotland's first martyr. His feast day is March 11th.

Have a safe and blessed weekend.

O My God, I love you above all things, with my whole heart and soul, because you are all-good and worthy of all love. I love my neighbor as myself for the love of you. I forgive all who have injured me, and ask pardon of all whom I have injured. Amen.
